## MARY ELLEN KRAMER – BOARD CHAIR

Mary Ellen Kramer serves as Board Chair of Network Support Services. She is a serial technology entrepreneur and business consultant. She has consulted hundreds of men and women to develop their leadership. Her dedication to executives experiencing dramatic breakthroughs in leadership has resulted in transforming organizations, building inspiring teams, attracting strategic partnerships and investment, and producing unimaginable results with velocity.

Recently, Mary Ellen consulted several major US academic institutions to support their application for national manufacturing institute grants over a brief 4 month time period in the areas of regenerative human tissue, super conductors, biopharma and supply chain management.

In addition to her board service for Network, Mary Ellen presently serves as a board member of Omni Ensemble, a nonprofit chamber music ensemble; and is a member of the advisory boards of Project Inkblot, a cross-cultural media agency and the Brooklyn Ballet. She is the Co-Chair of a Social Justice Committee at the church where she worships in Brooklyn.

Mary Ellen is a native New Yorker and a graduate of New York University with a Bachelor of Science in Management and Computer Science. She is married with eight children and four grandchildren.
