

## THORIN A DAYE – CO-EXECUTIVE DIRECTOR

Thorin Daye serves Network Support Services Inc. as its Co-Executive Director. Network is a unique, reentry focused organization, providing prison-based therapeutic, pre-release discharge and reentry planning services as well as community-based substance use disorder prevention, anger management training, job readiness and other supportive transitional services for parolees who are returning to New York City communities from New York State correctional facilities.

Before taking the helm of Network in 2018, Thorin dedicated 5 years to the growth and development of the men of the Otisville Network residential unit as a New York State Correctional Officer. As a trained Network officer, the Officer Daye guided and assisted participants on their journey to successful living.

Throughout the 5 years, Thorin personally witnessed the transformational effects of Network's programming on the 50 men of the unit as well as the profound impact on his own quality of life. When the opportunity arose to apply for the position of Executive Director of Network, he jumped at the chance.

Thorin graduated Cum Laude with a degree in Green Building Maintenance and Green Building Management from SUNY Orange. He is a decorated combat veteran who devoted 8 years of honorable service between two Military branches, the United States Marine Corps and the NY Army National Guard.

Thorin is a devoted husband and proud father of 4 children and 2 Pitbull rescues. Thorin enjoys tending his organic garden, sustainable landscaping, reading and keeping African cichlid fish..
